## RTI 8

**11-Aug-2023:** The amendment to clause (j) of sub-section (1) was introduced by Section 44(3) of the Digital Personal Data Protection Act, 2023, which replaced the earlier provision that allowed for disclosure of personal information if it was justified by a larger public interest. The current text imposes a blanket exemption on all personal information, removing the public interest override. However, the government has **not announced** the effective date for this amendment.
